Internal Sixth Form Electronic Application Tutorial

Grades and Subject Choices

This form has been designed to take you through the decision making process and will be used as the basis for an Information Advice and Guidance session which will be arranged for individual students as part of the application process. Remember that you can apply for any combination of subjects, providing that they are each in a different timetable block, and that your GCSE grades match with the entrance requirements. Please provide full details of all exams you are taking this year and exams you have already taken in the boxes below:

List the GCSEs you have already taken and your actual grade. If you have taken other qualifications (e.g. AS Levels, FSMQ) please list these under 'Other'.

Subject* Obtained Grade*

ADD ANOTHER

List the GCSEs you are taking this year and your predicted grade. The predicted grade is the grade that you are aiming to achieve in this course. Academic references will also be requested from your school. If you will be taking other qualifications (e.g. AS Levels, FSMQ) please list these under 'Other'

Subject* Predicted Grade*

Maths and English

Please enter your attained/predicted Maths and English grades

Maths Grade* English Grade*

Course selection

To start an A Level programme of 3 A Levels you need to pass at least 8 or more GCSE passes at Grade 5, equivalent or better including Maths and English.

To start an A Level programme of 4 A Levels you need to pass at least 8 or more GCSE passes including Maths and English with an average GCSE grade score of 7.5 or better (equivalent to roughly half of your grades at half 7/A and half 8/A*).

You should choose one subject from each block in order of priority. Each subject has its own entry requirements which will appear below the courses you select. In some subjects, students are set by ability and/or require a higher level of entry to ensure the right preparation for high level university courses.

Block A	Block B	Block C	Block D
Art	Business Studies	Biology	Biology
Classical Civilisation	Chemistry	Chemistry	English Literature
Computer Science	English Literature	French	Further Maths
English Language	Geography	History	Maths
History	German	Psychology	Physics
Maths	Physics		Religious Studies
	Spanish		Physical Education

Having looked at the grid please list your choices in order of priority:

William Perkin students can ignore this section unless you have studied a GCSE course(s) independently outside of School

For the courses you are currently enrolled in, please provide the subjects as well as your predicted grade from the drop down menus – if your course is not provided, please select 'Other' and list the course and respective predicted grade you are likely to achieve

As Maths and English are general entrance requirements, please enter these courses separately

Following to the instructions provided for course selection, you will need to refer to the Option Block table for your subject choices – please note that subjects are timetabled according to option blocks and we are unable to accommodate clashes

If you are interested in two subjects within the same block, please email admissions@williamperkin.org.uk before you submit your application

Internal Sixth Form Electronic Application Tutorial

Choice 1*
Maths

Block: Block A

Requirement: 7 in Mathematics.

Choice 2*
English Literature

Block: Block D

Requirement: 6 in English Language and 6 in English Literature.

Choice 3*
History

Block: Block C

Requirement: 6 in History and 6 in English (Literature or Language).

For the students who are likely to be joining our William Perkin Additional Programme with a fourth course choice, the qualifications begin at 8 or more GCSE passes including Maths and English, with an average GCSE grade score of 7.5 or better (equivalent to roughly half of your grades at half 7/A and half 8/A*) and for Maths and English this is a 7 or better. Please select the course you expect to study:

Choice 4

CLEAR CHOICES

William Perkin Scholar Programme

The William Perkin Scholar Programme is aimed at gifted and passionate pupils who have a clear idea of their future pathways. The programme will involve academic mentoring, extended project qualifications, early entry university support and, potentially, target Oxbridge support. Please select the programme you would like to be considered for.

If your future pathway does not correlate with one of the four Scholar programmes, but you would like to be considered for extra Scholar support (mentoring, early university application, Oxbridge mentoring) then please select 'Scholar Support Programme'.

If you do not wish to be considered for the William Perkin Scholar Programme, please select 'General Programme of Study.'

Scholar Programme*
-- select --

Now give a brief reason for your choices (you may wish to focus on the subjects you have put first and second): *

Thank you for your application.

You will receive an email confirming receipt of your application which you should retain for your records. You should also print your application using the button below and bring it with you should you be called for an interview. We will be in contact with you in due course – normally by email.

DOWNLOAD APPLICATION (.PDF)

In order of preference, course choices are available by drop down menu according to the Option Blocks

When selecting your course choices from the drop down menu, **blocks and minimum entrance requirements will appear below your subject choices** – for more information on individual course requirements, please refer to our Course Guide available in our Open Evening Pack and online

A NOTE ABOUT THE FOURTH COURSE CHOICE:

The fourth option choice for the William Perkin Additional Programme is available to applicants likely to achieve a 7.5 or better

If you wish to make amendments, please click the 'Clear Choices' button and re-select the subjects you wish to take

For applicants with a particular focus, the following programmes are available for selection through the William Perkin Scholar Programme: Engineering, Law & Politics, Linguistics, Medicine, and Scholar Support

Please provide us with details on your course selections

Upon completion of the electronic application form, you will receive an automated receipt via email with your application ID number

You will also be able to **save your application as a PDF and print** – we **strongly encourage you to do both**

If for any reason you wish amend your course selections, please email us with your application ID number, full name and date of birth **before the closing deadline**

External applications are due on **Friday 1st December 2017** – any applications received after the deadlines will be considered as late.
